

PRICE GUIDE

These prices are to give you an idea of how much our services cost. Before we start working together, we'll send you a detailed agreement with the total cost.

LET'S GO!

Taxes

PERSONAL INCOME TAXES - T1

Tax Return \$150

(includes basic credits & CRA submitted slips only)

Cost For Each* Add On:

- Investments/Sale of Property (outside of CRA slip) - \$100
- Spousal/Child Related - \$100
- Employment Expenses - \$150
- Small Business Return - \$150
- Statement of Real Estate Rentals - \$150
- Home Office Expense - \$50
- Cost Capital Allowance - \$50
- Automobile Expenses - \$50

(*Each refers to the number of times a separate section is filled out. ie. CCA on two different businesses would be \$100 in total).

CORPORATE / NON-PROFIT / CHARITY TAX RETURNS - T2, T3010, T1044

T3010 - \$1,250

T1044 - \$500

T2 - varies depending on complexities:

- Minimal Activity - \$750
- Basic Return - \$1,400
- Small to Medium Size Business - \$1,650 to \$3,000

Tax prices do not include any bookkeeping (computation / adding up of expenses / receipts / sale invoices, etc). A form will be given to you to fill over to add up all related sales / expenses. If you would like our team to add up your receipts / expenses / sales invoices / etc. then you can reach out to us for a customized flat rate bookkeeping quote.
